

GRADE LEVEL FUNDRAISING (CLASS FUNDRAISERS)

Students and their families participate in fundraising efforts in fifth through eighth grade. Grade level fundraising is essential to support the costs of 8th grade activities such as an 8th grade field trip, graduation, and caps and gowns. The funds raised offset student expenses during their eighth grade year. While classroom parents are essential to help organize fundraising, all students and families share the responsibility for class fundraising.

5TH

- Calendar Fundraiser

6TH

- Philly Pretzel Fundraiser
- Gertrude Hawk Fundraiser

7TH

- QCrew Fundraiser
- Shop Rite Cards

8TH

- Discount Cards

Fundraising & Class Trips

CLASS FIELD TRIPS

Students in preschool through eighth grade participate in a minimum of one field trip a year. The cost of the trip is covered by parents/guardians. Fundraising efforts will be used towards the eighth grade end of year activities and trips. If there is a financial hardship, please contact Dr. Gooditis.

The number of chaperones appointed will follow the Board of Education Policy.

At times, preschool through fifth grade trips include parent chaperones. Please note the chaperones appointed will follow the Board of Education policy approved ratio and will only be asked after grade level staff are included on the trip.

Historically, sixth through eighth grade trips are chaperoned by staff only.

CLASS PARENTS

Class parents sign up through the PTA. The class parent is a volunteer who assists the homeroom teacher in organizing various activities and events throughout the school year.

CLASS COSTS

All Grades:

- Class Trip

7th Grade:

- Graduation refreshments for the 8th grade class.

*The PTA and class parents assist with the organization and fundraising for class parties and gifts.
